

Notice: According to the 4072/11-4-2012 Law, the obligation of publishing balance sheets for SAs in financial or political newspapers has been negated and substituted by the commitment to post them in the official web portal of each company. Concept Techniki SA does not consolidate the sales and other financial reports of its subsidiaries or affiliated companies. Attached beside, you may find the recent financial statements of the company in Greek and in English languages.
